To the Shareholders

Dear Sir or Madam,

**EXTENSION OF THE EFFECTIVE PERIOD OF THE SHAREHOLDERS'
RESOLUTIONS TO APPROVE THE PROPOSED PLACING
AND
EXTENSION OF THE EFFECTIVE PERIOD OF THE AUTHORISATION
GRANTED TO THE BOARD TO HANDLE MATTERS RELATING TO
THE PROPOSED PLACING**

A. INTRODUCTION

Reference is made to the Previous Disclosures in relation to, among other things, the Proposed Placing and to the notices of the EGM and the H Share Class Meeting dated 10 November 2016 in relation to the Extension Resolutions.

LETTER FROM THE BOARD

The purpose of this circular is to provide you with (i) more information on the Extension Resolutions; (ii) a letter of recommendation from the Independent Board Committee to the Disinterested Shareholders; (iii) a letter of advice from Altus Capital to the Independent Board Committee and the Disinterested Shareholders in respect of the Extension Resolutions; and (iv) other information as required under the Listing Rules to enable you to make an informed decision on whether to vote for or against the Extension Resolutions at the EGM and the H Share Class Meeting. The Independent Board Committee has been formed to advise the Disinterested Shareholders in respect of the Extension Resolutions and Altus Capital has been appointed as the independent financial adviser to advise the Independent Board Committee and the Disinterested Shareholders in this regard.

B. THE EXTENSION RESOLUTIONS

Considering that the Company's application for the Proposed Placing is still in progress and pending the approval of the CSRC and the effective period of the Shareholders' resolutions in approval of (i) the Proposed Placing and (ii) the authorisation granted to the Board to handle matters relating to the Proposed Placing (of which both were considered and passed at the previous extraordinary general meeting, the previous A Share class meeting and the previous H Share class meeting held on 29 December 2015) will expire on 28 December 2016, the Board proposes to convene the EGM and the Class Meetings for the Shareholders to consider the following proposed resolutions:

Special Resolutions

1. To extend the effective period of the Shareholders' resolutions to approve the Proposed Placing for a further period of twelve months, commencing from the date of passing this resolution at the EGM and Class Meetings up to 27 December 2017, both days inclusive.
2. To extend the effective period of the Shareholder's resolution on conferring full powers on the Board to handle matters relating to the Proposed Placing for a further period of twelve months, commencing from the date of passing this resolution at the EGM and Class Meetings up to 27 December 2017, both days inclusive.

LETTER FROM THE BOARD

C. REASONS FOR THE EXTENSION RESOLUTIONS

The Extension Resolutions are proposed based on the following reasons: (i) the proceeds of the Proposed Placing will strengthen the Company's capital position and enable the Company to optimise its operations and upgrade infrastructure, which will in turn help grow the Company's business; (ii) the proceeds of the Proposed Placing will allow the Company to reduce financing costs and increase profits; (iii) the proceeds of the Proposed Placing can cater for the capital needs of the Company and improve the Company's market competitiveness; (iv) approval from the CSRC is required for the Proposed Placing. The Company has received 中國證監會行政許可申請受理通知書 (Acceptance Notice of the Application for Administrative Permission*) from the CSRC for granting the administrative permission for processing the application for the Proposed Placing and 中國證監會行政許可項目審查反饋意見通知書 (Feedback on the Review of Administrative Permission Items*) for reviewing, vetting, commenting and raising queries in respect of the Proposed Placing. The Company and its sponsoring institution under the Proposed Placing have submitted replies dated 28 September 2016 and supplemental replies dated 1 December 2016 to the feedback of the CSRC. As of the Latest Practicable Date, the Company has not yet received from the CSRC further feedback or approval on the Proposed Placing. Having consulted its sponsoring institution under the Proposed Placing, the Company was informed that it would not be possible for the Company to anticipate whether there would be further feedback from the CSRC and when the approval will be granted; and (v) it is expected that there would still be follow-up matters relating to the Proposed Placing, which would require certain time for the Board to deal with and process under the authorisation of Shareholders' resolution at general meeting even after approval from the CSRC is received.

Taking into account the abovementioned reasons, the Board is of the view that it is necessary and in the interests of the Company and the Shareholders as a whole to extend the effective period of (i) the Shareholders' resolutions in approval of the Proposed Placing; and (ii) the authorisation granted to the Board to handle matters relating to the Proposed Placing, both for a further period of twelve months, commencing from the date of passing the relevant resolutions at the EGM and Class Meetings up to 27 December 2017, both days inclusive.

Save for the above extensions, details of the Proposed Placing (revised as disclosed in the Previous Disclosures) remain unchanged and in full force and effect.

- Lock-up period** : Under the Proposed Placing, all the Subscribers shall not transfer the A Shares subscribed within 36 months from the date of completion of the Proposed Placing.
- Place of listing** : The new A Shares to be issued under the Proposed Placing will be listed on the SZSE. The Company will apply to the SZSE for the listing of, and permission to deal in, the A Shares to be issued.

LETTER FROM THE BOARD

(d) Issue of Securities within the past twelve months

The Company had not issued any securities within the twelve months prior to the Latest Practicable Date.

(e) Reasons for the Proposed Placing

To strengthen and expand the Company's core business

In recent years, the Company's core business has grown steadily while its capital investment has increased. It is now necessary to bring the Company's working capital in line with this increased expenditure. Through the Proposed Placing, additional capital will be raised to strengthen the Company's capital position. The increased capital amount will enable the Company to optimise its operations and upgrade infrastructure, which will in turn help grow the Company's business.

To improve the Company's financial position and enhance the Company's profitability

RMB650 million of the placing funds was planned to be allocated (adjusted to RMB550 million following the withdrawal of SKS Assets Management Limited and the corresponding reduction in subscription amount) to repay existing bank borrowings, thereby improving the Company's debt position and reducing its exposure to financial risk. The additional capital will allow the Company to reduce financing costs and increase profits.

To fulfil working capital needs, improve market competitiveness

Notwithstanding the fact that the Company's level of accounts receivable and inventory management are currently in healthy positions, pharmaceutical companies typically exhibit high levels of accounts receivable and inventory. It is expected that the placing funds available, following the repayment of existing bank borrowings, will satisfy the Company's capital needs and improve the Company's market competitiveness.

To enhance competitiveness and achieve development strategies

To improve its current position and secure its continued development, the Company plans to upgrade its production facilities and target growth in international markets. A series of projects and development strategies will be formulated and implemented. The placing funds, available following the repayment of existing bank borrowings, are expected to be used to cover the cost of implementing these strategies.

(f) Further details of the Proposed Placing

For further details of the Proposed Placing, please refer to the Previous Disclosures.

G. IMPLICATIONS OF THE PROPOSED PLACING AND EXTENSION RESOLUTIONS UNDER THE HONG KONG LISTING RULES

As six intended participants of the Employee Stock Ownership Scheme (one of the Subscribers in the Proposed Placing) are Directors and Supervisors, they are connected persons of the Company under the Listing Rules and their participations in the Employee Stock Ownership Scheme will constitute connected transactions of the Company under Chapter 14A of the Listing Rules. As such, the participations in the Employee Stock Ownership Scheme by these connected persons have each been considered and approved by the Disinterested Shareholders at the previous extraordinary general meeting, the previous A Share class meeting and the previous H Share class meeting held on 29 December 2015.

As at the Latest Practicable Date, a total of 499 intended participants (of whom four are Directors and two are Supervisors, as disclosed in the circular of the Company dated 14 December 2015) have indicated their intention to participate in the Employee Stock Ownership Scheme. Subsequent to the Price Adjustment and Share Adjustment a result of the 2015 Profits Distribution Plan (as disclosed in the announcement of the Company dated 14 September 2016) and as at the Latest Practicable Date, the interests attributable to the six Connected Participants under the Employee Stock Ownership Scheme will be equivalent to approximately 546,038 A Shares, representing 14.55% of the A Shares to be subscribed by the Employee Stock Ownership Scheme. Pursuant to Rule 14A.12 of the Listing Rules, as the Employee Stock Ownership Scheme is an employees' share scheme established for a wide scope of participants, and the aggregate interest of the Connected Participants in the Employee Stock Ownership Scheme will be less than 30%, the Employee Stock Ownership Scheme is not deemed as an associate of the Company's connected persons. As a result, the entering into of the Employee Stock Ownership Scheme Subscription Agreement and the Employee Stock Ownership Scheme Supplemental Agreement between the Employee Stock Ownership Scheme and the Company does not constitute a connected transaction of the Company under Chapter 14A of the Listing Rules.

All executive Directors, Mr. Zhang Daiming and Mr. Du Deping, and two non-executive Directors, Mr. Ren Fulong and Mr. Xu Lie, who have indicated their intended participation in the Employee Stock Ownership Scheme (one of the Subscribers in the Proposed Placing), have abstained from voting on the relevant Board resolutions approving the Extension Resolutions.

Save as disclosed above, none of the Directors have a material interest in the proposed implementation of the Proposed Placing or are required to abstain from voting on the Board resolutions considering and approving the Extension Resolutions.

As of the Latest Practicable Date, Mr. Zhang Daiming, an executive Director, owns 11,900 A Shares and none of his associates own any Shares. Mr. Zhang Daiming, an intended participant in the Employee Stock Ownership Scheme (one of the Subscribers in the Proposed Placing), will not vote on the Extension Resolutions.

INTRODUCTION

We refer to our appointment as the independent financial adviser to advise the Independent Board Committee and the Disinterested Shareholders in respect of the Extension Resolutions. Details of the Extension Resolutions are set out in the “Letter from the Board” contained in the circular of the Company dated 12 December 2016 (the “**Circular**”), of which this letter forms part. Terms used in this letter shall have the same meanings as those defined in the Circular unless the context requires otherwise.

Considering that the Company’s application for the Proposed Placing is still in progress and pending the approval of the CSRC and the effective period of the Shareholders’ resolutions to approve (i) the Proposed Placing and (ii) the authorisation granted to the Board to handle matters relating to the Proposed Placing

LETTER FROM ALTUS CAPITAL

(of which both were considered and passed at the previous extraordinary general meeting, the previous A Share class meeting and the previous H Share class meeting held on 29 December 2015) will expire on 28 December 2016, the Board proposes to convene the EGM and the Class Meetings for the Shareholders to consider (i) to extend the effective period of the Shareholders' resolutions in approval of the Proposed Placing for a further period of twelve months, commencing from the date of passing this resolution at the EGM and Class Meetings up to 27 December 2017, both days inclusive; and (ii) to extend the effective period of the Shareholders' resolutions on conferring full powers on the Board to handle matters relating to the Proposed Placing for a further period of twelve months, commencing from the date of passing the resolutions at the respective EGM and Class Meetings up to 27 December 2017, both days inclusive.

LISTING RULES IMPLICATIONS

As six intended participants of the Employee Stock Ownership Scheme (one of the Subscribers in the Proposed Placing) are Directors and Supervisors, they are connected persons of the Company under the Listing Rules and their participations in the Employee Stock Ownership Scheme constitute connected transactions of the Company under Chapter 14A of the Listing Rules. As such, the participations in the Employee Stock Ownership Scheme by these connected persons have been considered and approved by the Disinterested Shareholders at the previous extraordinary general meeting, the previous A Share class meeting and the previous H Share class meeting held on 29 December 2015. In view of the upcoming expiry of the resolutions in approval of the Proposed Placing and authorisation of the Board to handle matters in relation to the Proposed Placing as considered and approved by the Disinterested Shareholders at the previous extraordinary general meeting, the previous A Share class meeting and the previous H Share class meeting held on 29 December 2015, the Extension Resolutions will be subject to renewal of Shareholders' approval.

As at the Latest Practicable Date, a total of 499 intended participants (of whom four are Directors and two are Supervisors, as disclosed in the circular of the Company dated 14 December 2015) have indicated to participate in the Employee Stock Ownership Scheme. Subsequent to the Price Adjustment and Share Adjustment a result of the 2015 Profits Distribution Plan (as disclosed in the announcement of the Company dated 14 September 2016) and as at the Latest Practicable Date, the interests attributable to the six Connected Participants under the Employee Stock Ownership Scheme will be adjusted to 546,038 A Shares, representing approximately 14.55% of the A Shares available to be subscribed under the Employee Stock Ownership Scheme. Pursuant to Rule 14A.12 of the Listing Rules, as the Employee Stock Ownership Scheme is an employees' share scheme established for a wide scope of participants, and the aggregate interest of the Connected Participants in the Employee Stock Ownership Scheme will be less than 30%, the Employee Stock Ownership Scheme is not deemed as an associate of the Company's connected persons. As a result, the entering into of the Employee Stock Ownership Scheme Subscription Agreement and the Employee Stock Ownership Scheme Supplemental Agreement between the Employee Stock Ownership Scheme and the Company does not constitute a connected transaction of the Company under Chapter 14A of the Listing Rules.

LETTER FROM ALTUS CAPITAL

All executive Directors, Mr. Zhang Daiming and Mr. Du Deping, and two non-executive Directors, Mr. Ren Fulong and Mr. Xu Lie, who have indicated their intended participation in the Employee Stock Ownership Scheme (one of the Subscribers in the Proposed Placing), have abstained from voting on the relevant Board resolutions approving the Extension Resolutions. As of the Latest Practicable Date, Mr. Zhang Daiming, an executive Director, owns 11,900 A Shares and none of his associates own any Shares. Mr. Zhang Daiming, an intended participant in the Employee Stock Ownership Scheme which is one of the Subscribers under the Proposed Placing, will not vote on the Extension Resolutions.

Save as disclosed above, none of the Directors have any material interest in the Proposed Placing or are required to abstain from voting on the Board resolutions considering and approving the Extension Resolution.

THE INDEPENDENT BOARD COMMITTEE

The Independent Board Committee, comprising all the independent non-executive Directors, namely Mr. Du Guanhua, Mr. Li Wenming and Mr. Chan Chung Kik, Lewis, has been established to consider the Extension Resolutions, and give advice and recommendation to the Disinterested Shareholders as to (i) whether the Extension Resolutions are fair and reasonable and are in the interests of the Company and the Disinterested Shareholders as a whole; and (ii) how the Disinterested Shareholders should vote in respect of the Extension Resolutions to be proposed at the EGM and the H Share Class Meeting.

THE INDEPENDENT FINANCIAL ADVISER

As the independent financial adviser to the Independent Board Committee and the Disinterested Shareholders, our role is to give an independent opinion to the Independent Board Committee and the Disinterested Shareholders as to (i) whether the Extension Resolutions are fair and reasonable and are in the interests of the Company and the Disinterested Shareholders as a whole; and (ii) how the Disinterested Shareholders should vote in respect of the Extension Resolutions to be proposed at the EGM and the H Share Class Meeting.

We had acted as the independent financial adviser to the Company with regards to the proposed issue and placing of new A Shares and the proposed implementation of Employee Stock Ownership Scheme (including participations in the scheme by connected participants), details of which are set out in the letter from Altus Capital (“**2015 IFA Letter**”) contained in the circular dated 14 December 2015 (“**2015 Circular**”). Save for the aforesaid appointment, we have not acted as the independent financial adviser in relation to any transactions of the Company in the last two years prior to the date of the Circular. Pursuant to Rule 13.84 of the Listing Rules, and given that remuneration for our engagement to opine on the Extension Resolutions is at market level and not conditional upon successful passing of the resolutions, and that our engagement is on normal commercial terms, we are independent of the Company.

LETTER FROM ALTUS CAPITAL

BASIS OF OUR ADVICE

In formulating our opinion, we have relied on the statements, information, opinions and representations contained or referred to in the Circular and/or provided to us by the Company, the Directors and the management of the Company (the “**Management**”). We have assumed that all statements, information, opinions and representations contained or referred to in the Circular and/or provided to us were true, accurate and complete at the time they were made and continued to be so as at the date of the Circular.

We have no reason to believe that any statements, information, opinions or representations relied on by us in forming our opinion is untrue, inaccurate or misleading, nor are we aware of any material facts the omission of which would render the statements, information, opinions or representations provided to us untrue, inaccurate or misleading. We have assumed that all the statements, information, opinions and representations for matters relating to the Group contained or referred to in the Circular and/or provided to us by the Company and the Management have been reasonably made after due and careful enquiry. We have relied on such statements, information, opinions and representations and have not conducted any independent investigation into the business, financial conditions and affairs or the future prospects of the Group.

PRINCIPAL FACTORS AND REASONS CONSIDERED

In formulating our recommendation, we have taken into account the principal factors and reasons set out below:

1. Reasons for and benefits of the implementation of the Employee Stock Ownership Scheme (including participation in the scheme by Connected Participants)

As described in the 2015 IFA Letter, the Company entered into the Employee Stock Ownership Scheme Subscription Agreement on 8 October 2015, the objectives of the Employee Stock Ownership Scheme were to (i) further improve the Company’s governance structure and establish a sound and comprehensive incentive mechanism for employees; (ii) motivate employees, stabilise the management and key personnel team of the Company; and (iii) improve the Company’s shareholding structure and promote the sustained and healthy development of the Group.

As discussed with the Management, we understand that the objectives of the Employee Stock Ownership Scheme remain unchanged. Given that the abovementioned reasons and benefits are still valid, we continue to believe that the terms of the Employee Stock Ownership Scheme are on normal commercial terms and in the interests of the Company and the Disinterested Shareholders as a whole. As the connected person participation (“**Connected Person Participation**”) forms a part of the Employee Stock Ownership Scheme, we further believe that the terms of the Connected Person Participation are on normal commercial terms and in the interests of the Company and the Disinterested Shareholders as a whole, despite that it is not in the ordinary and usual course of business of the Company.

2. The proposed implementation of the Employee Stock Ownership Scheme by way of placement of A Shares

Reference is made to the key terms of the Proposed Placing of A Shares with respect to the Employee Stock Ownership Scheme set out in the 2015 Circular. Basically, all the key terms (namely (i) class and par value of Shares to be issued; (ii) method and date of issue; (iii) target participants (save for the withdrawal of SKS Assets Management Limited, as disclosed in the announcement of the Company dated 24 March 2016); (iv) lock-up period; (v) dealing restrictions; and (vi) conditions precedent) remain unchanged.

As disclosed in the Circular, if there is any ex-dividend or ex-rights event (such as distribution of dividend, bonus issuance or capitalisation of capital reserves) occurred to the Company between the Price Determination Date and the date of issuance of A Shares under the Proposed Placing, the Subscription Price and the number of A Shares to be issued by the Company under the Proposed Placing shall be adjusted in accordance with the Price Adjustment and the Share Adjustment respectively. Due to a final dividend of RMB0.02 (tax included) per Share for the year ended 31 December 2015 under the 2015 Profit Distribution Plan which was considered and approved at the annual general meeting of the Company on 29 June 2016 (as disclosed in the announcement of the Company dated 14 September 2016), the initial subscription price of the A Shares was adjusted per the provision under the Price Adjustment clause of the Proposed Placing. As a result of the Price Adjustment, the Subscription Price was adjusted from RMB9.36 per new A Share as at the date of the 2015 Circular to RMB9.34 per A Share as at 14 September 2016 (date of announcement of the Company), representing a decrease of approximately 0.21%. Due to the same reason, the maximum number of A Shares to be subscribed for under the Employee Stock Ownership Scheme was adjusted from 3,744,400 new A Shares to 3,752,417 new A Shares, representing an increase of approximately 0.21%, as a result of the provision under the Share Adjustment clause of the Proposed Placing.

We note that (i) the initial Subscription Price of the Proposed Placing had been fairly determined as described in the 2015 IFA Letter; (ii) the abovementioned adjustments were made in accordance with the terms provided in the Proposed Placing; and (iii) in response to the request of CSRC, a supplemental measure in respect of Price Adjustment Mechanism (“**Supplemental Price Adjustment Mechanism**”) was adopted, where in the event that the Subscription Price is less than 70% of the average trading price (the “**20-day Average Trading Price**”) per A Share for the 20 trading days prior to the first day of the Issuance Period (the “**First Issuance Day**”) of the new A Shares under the Proposed Placing, the Subscription Price will be adjusted to a level that is equivalent to 70% of the 20-day Average Trading Price (the 20-Day Average Trading Price will be the quotient of the total transaction value of A Shares for the 20 trading days prior to the First Issuance Day divided by the total trading volume of A Shares for the 20 trading days prior to the First Issuance Day). In addition, all participating employees, including the Connected Participants under the Connected Person Participation, will be subject to identical terms such as Subscription Price as well as lock-up arrangements. Based on the above, we continue to believe that the terms of the Employee Stock Ownership Scheme and the Connected Person Participation have been fairly and reasonably determined.

3. Use of proceeds from the Proposed Placing

As disclosed in the Circular, the initial maximum number of A Shares to be issued under the Proposed Placing would not exceed 77,000,000 A Shares, subject to Share Adjustment and any adjustment. Following (i) the withdrawal of SKS Assets Management Limited as a subscriber under the Proposed Placing (as disclosed in the announcement of the Company dated 24 March 2016); and (ii) the Share Adjustment due to the 2015 Profit Distribution Plan (as disclosed in the announcement of the Company dated 14 September 2016), the number of A Shares to be issued under the Proposed Placing has been adjusted to 67,143,466 A Shares, representing a decrease of approximately 12.80%.

Taking into account the abovementioned withdrawal and Share Adjustment and the adjusted Subscription Price due to the Price Adjustment, we understand that the total gross proceeds under the Proposed Placing will be reduced from approximately RMB720.72 million to approximately RMB627.12 million, representing a decrease of approximately 12.99%. Notwithstanding that there is a reduction, we are of the view that it does not substantially affect the intended plan for the use of proceeds.

As described in the 2015 Circular, capital raised through the Proposed Placing will be used, among others, to (i) strengthen the Company's capital position in order to enable it to optimise its operations and upgrade infrastructure; and (ii) repay existing bank borrowings in order to improve the Company's debt position and reduce its exposure to financial risk. Hence, we continue to believe that the use of proceeds from the Proposed Placing is in the interests of the Company and the Disinterested Shareholders as a whole.

4. Possible dilutive impact of the Proposed Placing in relation to the Employee Stock Ownership Scheme

As disclosed in the 2015 Circular, the interests to be subscribed by the six Connected Participants under the Employee Stock Ownership Scheme will be equivalent to approximately 544,869 new A Shares, representing 14.55% of the A Shares to be subscribed by the Employee Stock Ownership Scheme. Due to the Price Adjustment and the Share Adjustment as mentioned above and the subsequent withdrawal of six intended participants from the Employee Stock Ownership Scheme, the interests attributable to the six Connected Participants under the Employee Stock Ownership Scheme will be equivalent to approximately 546,038 A Shares, representing 14.55% of the A Shares to be subscribed by the Employee Stock Ownership Scheme.

LETTER FROM ALTUS CAPITAL

We wish to point out that the adjusted number of new A Shares to be subscribed under the Employee Stock Ownership Scheme amount to 3,752,417 (representing approximately 0.72% of the total issued Shares upon completion of the Proposed Placing assuming no charge in the total issued Shares other than the issuance of A Shares under the Proposed Placing from the Latest Practicable Date and up to the completion of the Proposed Placing), of which the adjusted number of new A Shares to be subscribed by the Connected Participants under the Employee Stock Ownership Scheme amount to 546,038 (representing approximately 0.104% of the total issued Shares as enlarged by the Proposed Placing assuming no charge in the total issued Shares other than the issuance of A Shares under the Proposed Placing from the Latest Practicable Date and up to the completion of the Proposed Placing). Given that the dilutive impact with respect to the Employee Scheme Subscription is immaterial and the Connected Persons Participation is even lower, we therefore consider that it is reasonable to put in place the Employee Stock Ownership Scheme, which is a long-term incentive scheme to motivate the employees of the Group and to enhance their sense of responsibility in respect of their positions held in the Group, and to maintain the stability of the workforce and the effectiveness of strategies implemented by the Company with regard to its operation, as these are in the interests Company and the Disinterested Shareholders as a whole.

5. Possible overall dilution effect as a result of the Proposed Placing on the Shareholders

Notes:

1. Save for Mr. Zhang Daiming whose relevant percentages are rounded to the nearest three decimal places, the percentages shown above are rounded to the nearest two decimal places. Numbers may not add up to 100% due to rounding.
2. Well Bring Limited, a Hong Kong incorporated company, is the indirect wholly-owned subsidiary of 華魯控股有限公司 (Hualu Holdings Group Company Limited*), the Company's ultimate holding company and the sole shareholder of SXPGC (the Company's direct controlling Shareholder).

As shown in the table above, due to the Proposed Placing, the other public A Share Shareholders' interest in the Company will be diluted from approximately 32.74% to approximately 28.55% and the public H Share Shareholders will be diluted from approximately 29.81% to approximately 25.99%. Although the Employee Stock Ownership Scheme will cause certain dilution to the existing public Shareholders' interest, we continue to believe that is acceptable in view of the overall benefits of the Employee Stock Ownership Scheme. We are also of the view that the Employee Stock Ownership Scheme will have long-term benefits to the Company by motivating the employees of the Group and enhancing their sense of responsibility in respect of their positions held in the Group as well as maintaining the stability of the workforce and the effectiveness of strategies implemented by the Company, which is in the interests Company and the Disinterested Shareholders as a whole.

LETTER FROM ALTUS CAPITAL

6. Reasons for and benefits of the Extension Resolutions

Reference is made to the 2015 Circular, the effective period of the Shareholders' resolutions in approval of (i) the Proposed Placing; and (ii) the authorisation granted to the Board to handle matters relating to the Proposed Placing were both considered and passed at the previous extraordinary general meeting, the previous A Share class meeting and the previous H Share class meeting held on 29 December 2015.

As described in the "Letter from the Board" of the Circular, the Company's application for the Proposed Placing is still in progress and pending the approval of the CSRC and the effective period of the Shareholders' resolutions in approval of (i) the Proposed Placing; and (ii) the authorisation granted to the Board to handle matters relating to the Proposed Placing will expire on 28 December 2016. As discussed with the Management, we note that the Company has received 中國證監會行政許可申請受理通知書 (Acceptance Notice of the Application for Administrative Permission*) from the CSRC for granting the administrative permission for processing the application for the Proposed Placing and 中國證監會行政許可項目審查反饋意見通知書 (Feedback on the Review of Administrative Permission Items*) for reviewing, vetting, commenting and raising queries in respect of the Proposed Placing. The Company and its sponsoring institution(s) under the Proposed Placing have submitted replies dated 28 September 2016 and supplemental replies dated 1 December 2016 to the feedbacks of the CSRC. As of the Latest Practicable Date, the Company has not yet received from the CSRC further feedback or approval on the Proposed Placing. Having consulted its sponsoring institution(s) under the Proposed Placing, the Company was informed that it would not be possible for the Company to anticipate whether there would be further feedback from the CSRC and when the approval will be granted. In order to allow time for the Company to obtain the approval for the Proposed Placing, the only and legal proper way for the Company is to preserve the validity of the previously approved resolutions by means of seeking the Disinterested Shareholders' approval to the Extension Resolutions.

In view of the above, we are of the view that the Extension Resolutions are in the interests of the Company and the Disinterested Shareholders as a whole, and are fair and reasonable so far as the Disinterested Shareholders are concerned.

LETTER FROM ALTUS CAPITAL

RECOMMENDATION

Having considered the above principal factors, we are of the view that the Extension Resolutions are in the interests of the Company and the Disinterested Shareholders as a whole, and are fair and reasonable so far as the Disinterested Shareholders are concerned.

Accordingly, we would recommend the Independent Board Committee to advise the Disinterested Shareholders, to vote in favour of the Extension Resolutions to be proposed at the EGM and the H Share Class Meeting.

Yours faithfully,
For and on behalf of
Altus Capital Limited
